

Utility Tote Cutout Diagrams

Measurements in centimeters (cm)

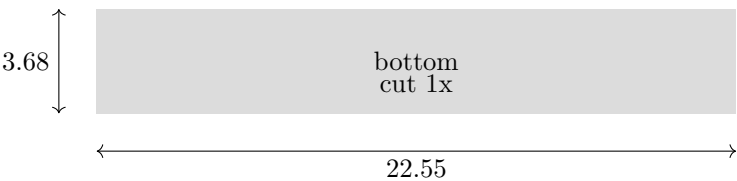

Front & Back (Cut 2x)

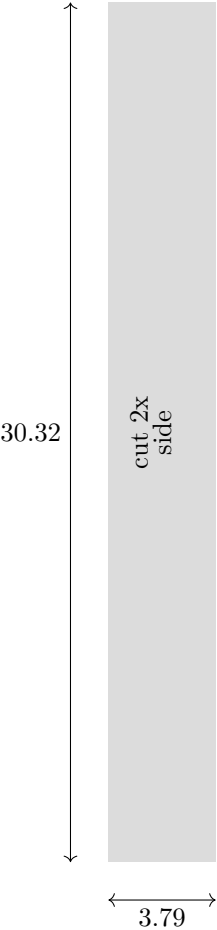

Front & Back Upper Fold (Cut 2x)

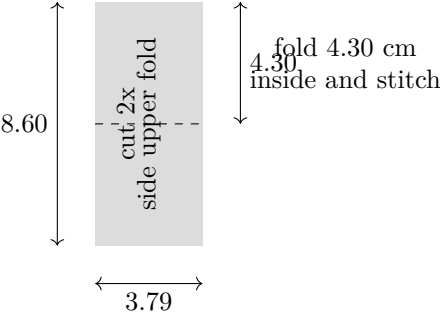

Bottom (Cut 1x)

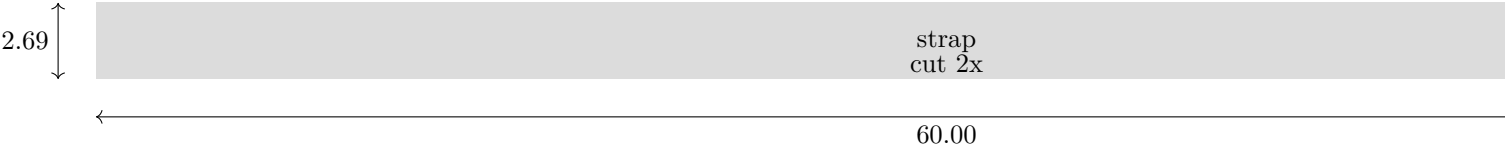

Side (Cut 2x)

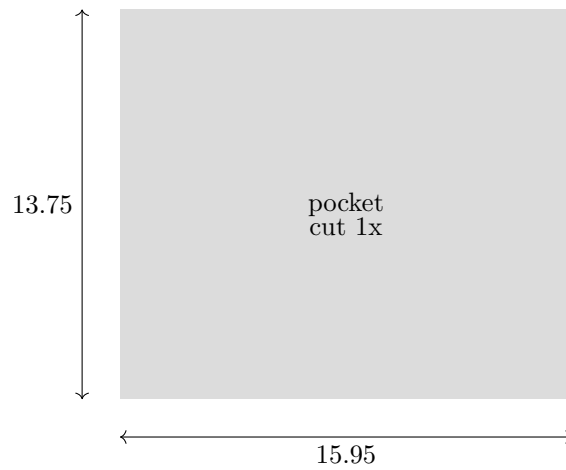

Side Upper Fold (Cut 2x)

Strap (Cut 2x)

Pocket (Cut 1x)

Notes

- All measurements are in centimeters (cm).
- Add 0.5–1 cm seam allowance to each edge for sewing.
- Diagrams are scaled for visualization; use the labeled dimensions for cutting.
- For the upper fold pieces (front & back and side), fold the top 4.30 cm inside and stitch as indicated.
- Measurements have been adjusted to realistic tote bag dimensions while preserving proportions.
